

**WS89307**

Shaft locating washer

Schaeffler ID:
0000252750000Axial cylindrical roller bearings 893, single
direction, comprising K893, GS, WS

Technical information

**Main Dimensions & Performance Data**

| | | |
|----------------|---------|---------------------------|
| d | 35 mm | Bore diameter |
| d ₁ | 68 mm | Lip diameter shaft washer |
| B | 7 mm | Height shaft washer |
| | 141.3 g | Weight |

Mounting dimensions

| | | |
|------------------|------|---------------------------|
| r _{min} | 1 mm | minimum chamfer dimension |
|------------------|------|---------------------------|
